ESTALV-IA

“ Save a bit, stick with it ”

Biel Azemà, Daniel Ibáñez, Eloi Garcia, Marco de Paco, Víctor Ferré

ESTALV-IA

The product is designed for students and young adults who need a simple monthly view of their money and practical next steps.

Track

Register income and expenses with categories and automatic suggestions.

Control

Use monthly budget limits and alerts to avoid overspending.

Decide

Get AI-assisted recommendations based on the current financial situation.

Estalv-IA does not only record transactions, it helps the user understand what to do next.

THE PROBLEM

USER PAIN POINTS

- Students often lose track of small expenses.
- Budget limits are easy to exceed.
- Generic saving advice is not specific enough.
- Finance tools can feel too complex.

WHAT THE USER NEEDS

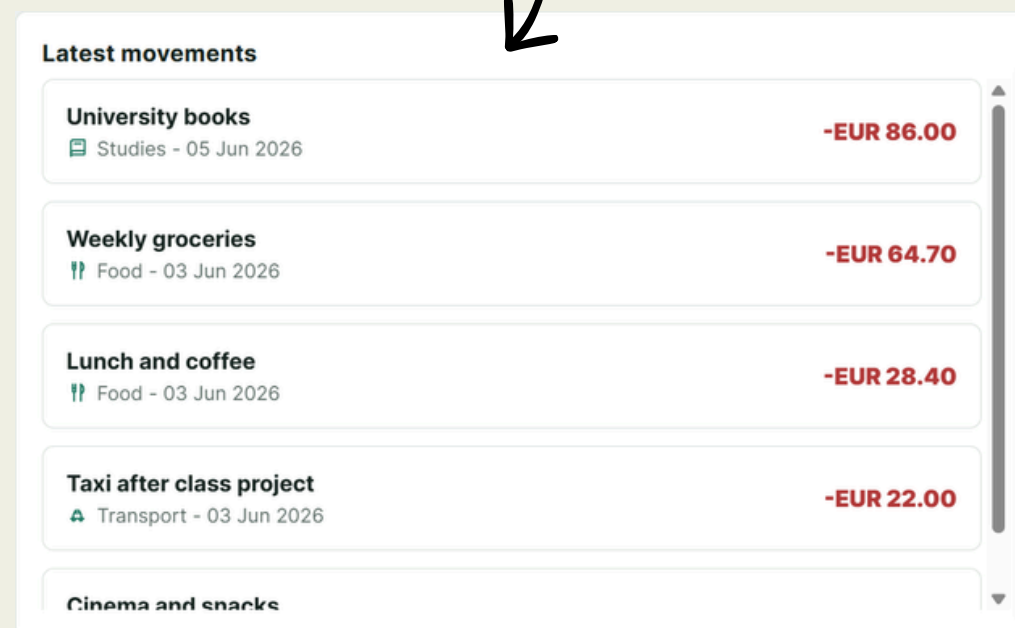

- A quick monthly overview.
- Clear warnings before overspending.
- Advice based on their own data.

SOLUTION & VALUE

1 Transactions

Income and expenses are recorded with categories.

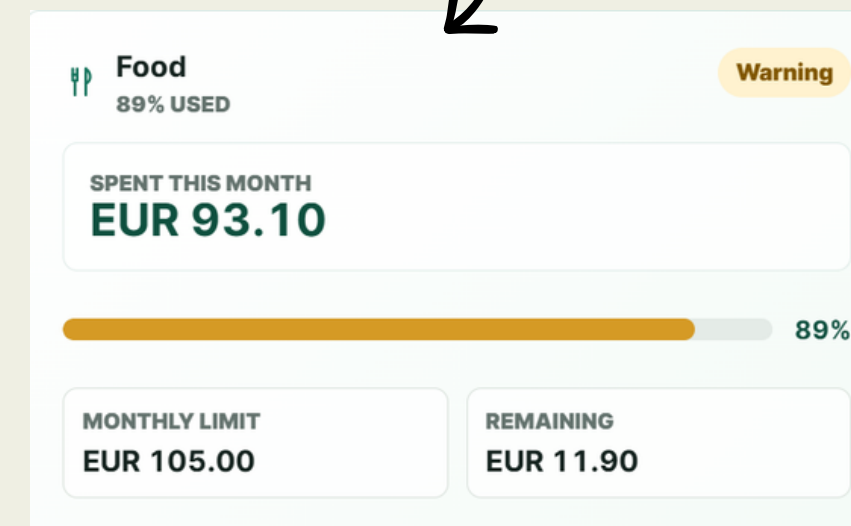

2 Understand

Dashboard, category spending and monthly review make the situation visible.

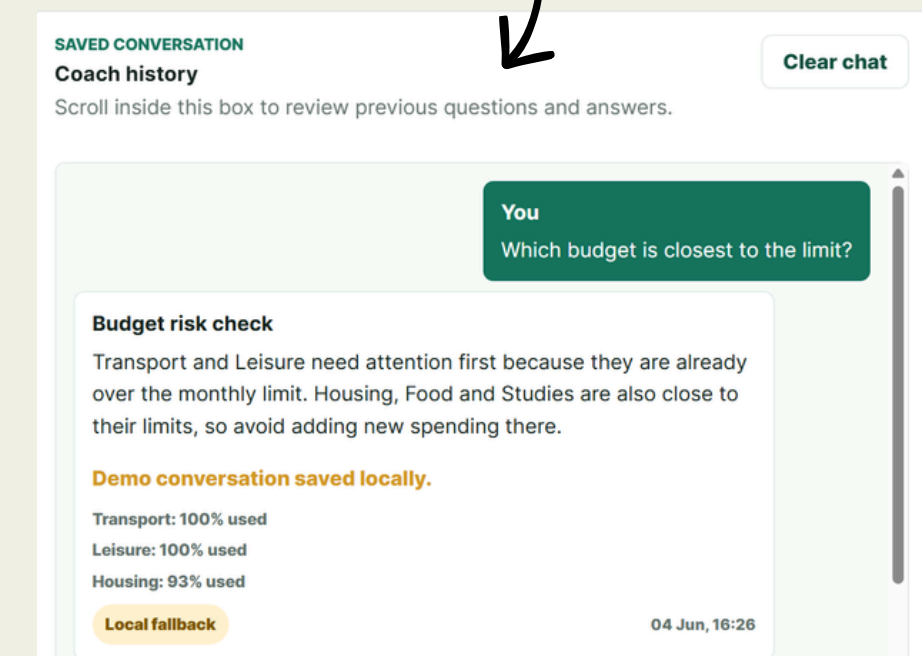

3 Control

Budgets and alerts highlight categories that need attention.

4 Improve

AI Advisor and AI Coach suggest practical saving actions.

Estalv-IA gives the user enough clarity to decide where to reduce spending before the end of the month.

METHODOLOGY & EVIDENCE

SPRINT 2

First prototype

Basic dashboard and finance tracking flow.

SPRINT 3

Python implementation

Local storage, separated logic and automated tests.

SPRINT 4

Final delivery

(Stored in Estalv-IA prototype folder)

UI polish, monthly review, notifications and hybrid AI Coach.

Evidence in GitHub → sprint documents, Kanban board, tests, CI workflow and final product commit history.

INNOVATION

The hybrid AI Coach keeps advice personal, local and reliable.

No paid API is required. The product can demonstrate intelligent guidance while keeping student finance data local.

Estalv-IA is not only a dashboard. It is a student-focused financial assistant that helps users understand, control and improve their monthly spending.

THANK YOU!!
